Research • Advice • Consultancy

Tyne & Wear Research and Information (TWRI), est. 1986, produces regular reports, briefing notes and research papers. We provide a range of services including research, advice and consultancy on the following work areas:

Census & Demographic

- Detailed data from successive Censuses of Population (most recent 2001) [inc. migration tables by groups of wards]
- Analytical 'Topic Reports' using Census on issues from 'People and their Jobs' to Housing
- Population estimates and projections
- Household estimates and projections
- Labour force estimates and projections
- Births
- Deaths
- Migration (both domestic and international)

Crime

Collect, 'cleanse', geocode and analyse data on:

- Crime
- Incidents
- Victims
- Offenders
- Fire
- Probation data
- Also support the Crime & Disorder Reduction Partnerships (CDRPs).

GIS / Mapping

Production of maps at different geographical levels:

- Point data maps
- Thematic maps
- Flow line maps

Economy

Quarterly Economic Review

Annual Reports on:

- Tyne & Wear's economic performance
- Earnings
- VAT registrations

Also,

- Small area unemployment statistics
- Performance of Manufacturing and Market Services (ABI/2) data
- Job gains & losses (logged from the press)

Social

Published reports on:

- Crime
- Poverty
- Health
- Employment
- Housing
- Index of Deprivation
- Social inclusion

AreaProfiler 2

- Produces profiles and customised reports for a selection of indicators and geographies
- Produces results in tabular format which can be displayed as a 'thematic' map or as SVG (Scaleable Vector Graphics)

Housing

- Housing Market Areas (HMAs)
- Economic & demographic change within housing markets
- Biennial analytical reports on house prices in Tyne & Wear (at district-level and by housing type)
- Support for the Tyne & Wear Housing Partnership

Land & Property

- Maintain and commission a series of aerial photography for Tyne & Wear every two years.
- Property data held by TWRI is enhanced by the provision of Ordnance Survey Grid References, to a resolution of one metre.

News

- 'Datum' newsletter (3 per year) outlines the latest news and current research areas within the organisation.
- 'Weekly News' summary of economic and other stories which affect Tyne & Wear.
